

Since 1943, Lutamar has been expanding their capabilities. Our products are used in components in industries such as automotive, appliances, medical, transformers and more.

LUTAMAR

Lead Assemblies

Our lead assemblies are used in a wide variety of applications. We can custom make to your companies specifications. No job is too small or too large. We carry a large inventory of different types of wire from Teflon to PVC to XLPE. We can hot stamp or label your wires. Our selection of different types of terminals and housings is quite large.
